

Class 1

This week.....

Class One have been working really hard to write sentences to describe how the ponies at the Mare and Foal Sanctuary are cared for. The Year 1 children have been trying hard to remember to say their sentence out loud before they write and are beginning to remember to put finger spaces, capital letters and full- stops in the right places.

The Reception children have been using the Vets Role Play Area to show how animals are cared for. Our ponies have had injections, medicine and many inspections: they should be really healthy by now!!!

In Maths we have been thinking about counting accurately to match items one to one. This week we are moving on to compare two groups of items by using 'more', 'less', 'greater' and 'fewer'.

Other news.....Class 4 are holding a raffle to raise money for the Mare and Foal Sanctuary. **The raffle will be drawn at our event at the Sanctuary on Friday October 11th.** Class 4 wrote letters to local businesses asking for prize donations as part of their learning. Raffle tickets will be available on the playground from this week. Any further prize donations would be gratefully received at the Office.

STAR LEARNER

This week
Sophia
is our Star Learner
for fantastic
sentence writing
about how we care
for ponies.
Well done!

VALUED MOMENT

Trust
Respect
Friendship
Forgiveness
Responsibility

Well done to **Henry S**
for showing
responsibility for his
own learning by joining
in with every learning
opportunity with
enthusiasm!
Well done and thank
you Henry!
