

Class 1

This week.....

Class One have been very busy preparing their final outcome poster all about how the Mare and Foal Sanctuary cares for animals. The children wrote sentences about all their learning with their Learning Partners. Then we chose sentences to read out at the final event last Friday. The children all did really well talking about their work in such a big space filled with adults! Well done everyone, you should all be really proud of your achievements.

In Maths we have been thinking about comparing two groups of items and using the right words to compare their sizes. We are moving on now to begin problem solving!

Please join us on Friday afternoon at St. Mary's Church, Berry Pomeroy for our Harvest Service. Class One will be busy this week putting the final touches to their song plus actions! The service starts at 2pm

Other news.....Class 4's raffle to raise money for the Mare and Foal Sanctuary is still ongoing! If you didn't have the chance to get a ticket last week they are still available in school until Wednesday when the raffle is being drawn after school.

STAR LEARNER

This week
Jaxon
is our Star Learner
for really starting to
blend his sounds
together well to
read.
Well done!

VALUED MOMENT

Trust
Respect
Friendship
Forgiveness
Responsibility

Well done to **Marleigh**
for showing
responsibility in class
by helping the younger
children without being
asked!
Well done and thank
you Marleigh!
