

Class 1

This week.....

Welcome back to school! Everyone has made a brilliant start to the new academic year. Well done especially to our new Reception children who have come into school happily with lots of enthusiasm and smiles!

Class One have got 'stuck in' with our new Learning Experience finding out more about how the Mare and Foal Sanctuary at Littlehempston care for animals. Last Friday Dawn Neil (Head of Education and Therapy at the Mare and Foal Sanctuary) came to talk to Class One about the work this charity does. She introduced the children to four ponies who need rehabilitating and rehoming. After Dawn's visit Class One all had a vote for the horses they would like to meet and get to know more about so that we can produce posters to help the charity with their work with these ponies.

Class One chose to get to know Jack, Traveller and Fenton. Look out for more news about how we are getting to know and helping these ponies.

More news.....

P.E. will be on Tuesday afternoon and Wednesday morning this year. Please make sure P.E. kits are always in school ready for this.

STAR LEARNER

This week
Hugo
is our Star Learner
for showing great
counting skills to 10
when we picked
apples from our
tree!
Well done!

VALUED MOMENT

*Trust
Respect
Friendship
Forgiveness
Responsibility*

Well done to **Fred**
for showing
friendship and respect
to all her new fellow
classmates!

Well done and thank
you Fred!
